

High Impact Technology Exchange Conference

Educating America's Technical Workforce

Fairmont Scottsdale (Arizona)

July 19–22, 2009

Title: Session B1: In Support of the Nation's Workforce

Date/Time: Tuesday, July 21, 10:30 AM – 12:00 PM

Location: Fairmont Scottsdale Resort, Salon B

Description: The National Science Foundation and the Department of Labor are building critical connections to jointly support the development of our nation's workforce. In this panel discussion audience members will be invited to participate and help prioritize the activities that will strengthen our community college programs associated with technician and technology education.

Panel Moderators:

Linnea Fletcher, Program Officer, National Science Foundation
Gerhard Salinger, Program Officer, National Science Foundation
Brad Wiggins, Workforce Analyst, U.S. Department of Labor
