

High Impact Technology Exchange Conference

Educating America's Technical Workforce

Fairmont Scottsdale (Arizona)

July 19–22, 2009

Title: Session D1: Technician Career Videos and Alumni Council

Date/Time: Tuesday, July 21, 10:30 AM – 12:00 PM

Location: Fairmont Scottsdale Resort, Salon D

Description: Technician program graduates can effectively serve as role models for current and prospective students. Graduates can also provide valuable feedback to educators. OP-TEC has formed a Photonics Alumni Council for Technicians to facilitate its collaboration with photonics program graduates. OP-TEC has also initiated the Career Video Project to highlight these successful program graduates. This session will outline how the graduate council is being formed and utilized and will also provide sample technician videos and materials. The goal of this session is to provide participants with the basic tools to plan and implement a technician program graduate council and video project.

Presenters:

Julie Foreman, OP-TEC

Dr. Larry Grulick, Texas State Technical College

Dr. Fred Seeber, Camden County College
