

High Impact Technology Exchange Conference

Educating America's Technical Workforce

Fairmont Scottsdale (Arizona)

July 19–22, 2009

Title: Session D4: What's Up with Gene Chip Arrays and BioMEMS

Date/Time: Wednesday, July 22, 10:30 AM – 12:00 PM

Location: Fairmont Scottsdale Resort, Salon D

Description: What are BioMEMS? This session will highlight Gene Chip technology, one of many BioMEMS applications. Learn how these gadgets detect gene mutations and how they are made with a hands-on activity. See a showcase of additional BioMEMS inspired educational materials and learn more!

Presenters:

Patricia Phelps, Bio-Link, Austin Community College

Matthias W. Pleil, Southwest Center for Microsystems Education (SCME)
