

High Impact Technology Exchange Conference

Educating America's Technical Workforce

Fairmont Scottsdale (Arizona)

July 19–22, 2009

Title: Session P3: Green IT

Date/Time: Tuesday, July 21, 3:30 PM – 5:00 PM

Location: Fairmont Scottsdale Resort, Salon Princesa

Description: Learn how to balance economic viability, social responsibility and environmental impact in a presentation providing updated research and applied data on Green IT, an important emerging discipline. Presenters will share comprehensive information including updates in curriculum, equipment, and the Center's mentoring program to aid colleges in rapid program implementation. Session will also highlight a new Bachelor of Arts in IT at the University of North Texas that allows students to receive credit for 18 hours of technology-related courses. Attendees will learn how this degree is structured and the benefits a student receives pursuing this program.

Presenters:

Ann Beheler, Convergence Technology Center
David Keathly, University of North Texas
