

High Impact Technology Exchange Conference

Educating America's Technical Workforce

Fairmont Scottsdale (Arizona)

July 19–22, 2009

Title: Product Lifecycle Management: PLM 101

Date/Time: Monday, July 20, 1:00 PM – 4:30 PM

Location: Fairmont Scottsdale Resort

Description: Through this workshop, you will learn and apply PLM concepts using a solid-body electric guitar as the context for comprehensive design education - concept through manufacture. The workshop materials integrate project-based activities that incorporate skills identified by the SME competency gap survey and include STEM and green manufacturing references. Participants will gain access to PLM curriculum resources and learn to utilize collaborative design tools in a distributed environment with other educators.

Presenter:

Mike Aikens, Butler County Community College

Steve Wendel, National Center for Manufacturing Education (NCME)
