

High Impact Technology Exchange Conference

*Educating America's Technical Workforce*

Fairmont Scottsdale (Arizona)

July 19–22, 2009

**Title:** Best Practices for Integrating Geospatial Technology to Support Your Organization: Geospatial Technology—Across the Campus or the Company

**Date/Time:** Monday, July 20, 8:30 AM – 4:30 PM

**Location:** Fairmont Scottsdale Resort

**Description:** This workshop will provide a panel discussion of the services offered to America's colleges and companies in the area of Geospatial Technologies, such as GIS, remote sensing, surveying, and location-based services. The GeoTech Center will demonstrate its capacity for performing workforce needs and issues studies, curriculum development, grant development partnerships and services, geospatial educator's resource clearinghouse, and remote geodatabase web services.

**Presenters:**

Phillip Davis, GeoTech

Ann Johnson, ESRI

John Johnson, GIS Workshop

Kenneth Yanow, Southwestern College

Ming-Hsiang Tsou, San Diego State University

Amy Ballard, Central New Mexico Community College

Luis Bleuze, Genesis Academy

Lorette Dicker, Atlantic Cape College
