

High Impact Technology Exchange Conference

Educating America's Technical Workforce

Fairmont Scottsdale (Arizona)

July 19–22, 2009

Title: Grant Development Workshop

Date/Time: Monday, July 20, 1:00 PM – 4:30 PM

Location: Fairmont Scottsdale Resort

Description: This workshop focuses on a systematic strategy to identify, apply for, and win grant funding, with an emphasis on the National Science Foundation's Advanced Technological Education (ATE) program. This workshop is designed to stimulate implementation, adaptation, and innovation in all areas supported by the ATE program and to broaden the base of community colleges participating in the program. This workshop will also provide a general overview of the grant development process, including the essential components of a grant proposal package and tips for developing proposals that get funded.

Presenter:

Catherine Crary, Grants Development Specialist, Maricopa Community Colleges District

Joseph Swaba, Associate Director of Grants Corporation Development, Maricopa Community Colleges District

Linnea Fletcher, Program Officer, National Science Foundation
