

High Impact Technology Exchange Conference

Educating America's Technical Workforce

Fairmont Scottsdale (Arizona)

July 19–22, 2009

Title: Teaching Interoperability in a Green IT Environment

Date/Time: Monday, July 20, 8:30 AM – 12:00 PM

Location: Fairmont Scottsdale Resort

Description: This workshop will teach educators how to present several hands-on demonstrations/labs to students that encourage student learning in a case-based/problem-based environment. Attendees will leave with step by step information on how to present each lab. Labs may be used for recruitment purposes or as part of a class.

Presenters:

Pete Brierley, Collin College

Bill Saichek, Orange Coast College
