

High Impact Technology Exchange Conference

*Educating America's Technical Workforce*

Fairmont Scottsdale (Arizona)

July 19–22, 2009

**Title:** Industry Tour II: Translational Genomics Research Institute (TGen)

**Date/Time:** Monday, July 20, 1:00 PM – 4:30 PM

**Location:** Translational Genomics Research Institute (Bus departs from the Fairmont Scottsdale Resort at 1:00 PM)

**Description:** The Translational Genomics Research Institute (TGen) is a non-profit organization dedicated to conducting groundbreaking research with life changing results. Research at TGen is focused on helping patients with diseases such as cancer, neurological disorders and diabetes. TGen is on the cutting edge of translational research where investigators are able to unravel the genetic components of common and complex diseases. Working with collaborators in the scientific and medical communities, TGen believes it can make a substantial contribution to the efficiency and effectiveness of the translational process. For more information, visit <http://www.tgen.org>. Limited to 30 participants.
