

High Impact Technology Exchange Conference

Educating America's Technical Workforce

Fairmont Scottsdale in Scottsdale, Arizona

July 19–22, 2009

www.highimpact-tec.org

Join Us at HI-TEC 2009

HI-TEC is a national conference on advanced technological education where technical educators, counselors, industry professionals, and technicians can update their knowledge and skills. HI-TEC explores the **convergence** of scientific disciplines and technologies such as:

- Advanced Manufacturing Technologies
- Agricultural, Environmental, and Energy Technologies
- Biomanufacturing Biotechnology
- Engineering Technologies
- Geospatial Technologies
- Information, Communication, and Security Technologies
- Learning and Evaluation
- Micro- and Nanotechnologies
- Optics and Photonics

Schedule

Preconference, Sunday, July 19, and Monday, July 20

Technical Workshops, Grant Development Workshops, and Local Industry Tours

Main Conference, Tuesday, July 21, and Wednesday, July 22

Sessions, Keynotes, and Technology Showcase

HI-TEC is supported by NSF Advanced Technological Education centers and projects and by grants from NSF and contributions from corporate and industry partners. To become a HI-TEC supporter or exhibitor, visit www.highimpact-tec.org.
