Assessment of Career Pathways Elements

Partnerships Discussion Questions/Considerations:

- 1. Does your career pathways partnership have a shared vision and decision-making process?*
- 2. Are all stakeholders represented (secondary and postsecondary educators, employers, workforce development and economic development groups, community-based organizations)? How are they engaged?*
- 3. Do you have a written agreement (MOU, etc.) outlining the basic elements of the partnership, roles and responsibilities, etc.?*
